

**LOGAN SQUARE KITCHEN** EST. 2006

INVIGORATING FOOD SYSTEMS

## LSK HACCP Fees

anywhere in USA

- HACCP Plan turnkey, \$3,800: for sous vide-ROP activities: LSK writes your plan, submits to local regulator, secures approval, and delivers HACCP binder & editable electronic files.
- Other HACCP plans/processes? Contact for quote. Typically, \$3800-\$5500.
- Multiple plans? Yes, 2<sup>nd</sup>, 3<sup>rd</sup> plans typically a lower price.
- HACCP Plan template, \$350: Formatted documents, ready to complete and maintain. SOP templates, \$250 each: editable format, HACCP-based.
- HACCP plan review or coaching, \$200 per hour: You write your plan, LSK reviews before submission to regulators or auditors. Typically 4-5 hour.
- HACCP training, \$395 per person, see website for dates/registration
- HACCP private class- \$395 per person, 6-student minimum. Larger classes? Volume discounts available, travel fees may apply.
- Code changes, \$400: When Health Depts update code, LSK shows you where your plan needs updating. (LSK-client updated docs delivered).

## Reduced Oxygen Packaging Regulations

- Reg's require all retail operations have approved HACCP plans in place for vacuum packaging, sous vide and cook chill processing
- Operations must submit HACCP plans to local authority for approval
- Operating without approval risks product destruction, halt of vac pack use
- Code references – for google
  - FDA 3-502.12
  - FDA 8-201.14
  - Adopted by all state and local health depts
