

LOGAN SQUARE KITCHEN EST. 2006

INVIGORATING FOOD SYSTEMS

LSK HACCP Fees

anywhere in USA (updated 11/20/20)

- **HACCP Plan turnkey, \$3,800:** for sous vide-ROP activities: LSK writes your plan, submits to local regulator, secures approval, and delivers HACCP binder & editable electronic files.
- Other HACCP plans/processes? Contact for quote. Typically, \$3800-\$5500.
- Multiple plans? Yes, 2nd, 3rd plans typically a lower price.
- **HACCP Plan template, \$350:** Editable, formatted documents, ready to complete and maintain. SOP templates, \$250 each: editable format, HACCP-based.
- HACCP **plan review or coaching, \$150 per hour:** You write your plan, LSK reviews before submission to regulators or auditors. Typically 4-5 hour.
- HACCP training, **\$395** per person, see website for dates/registration
- **HACCP private class– \$395 per person, 6-student minimum. Larger classes? Volume discounts available, travel fees may apply.**
- **Code changes, \$400:** When Code changes, LSK shows you where your plan needs updating. (LSK-client plans auto-updated and delivered).

Reduced Oxygen Packaging Regulations

- Reg's require all retail operations have approved HACCP plans in place for vacuum packaging, sous vide and cook chill processing
- Operations must submit HACCP plans to local authority for approval
- Operating without approval risks product destruction, halt of vac pack use
- Code references – for google
 - FDA 3-502.11 – variance requirement
 - FDA 3-502.12 – ROP and sous vide
 - FDA 8-201.14 – contents of HACCP plan
